

TUESDAY, MAY 10TH TRANSITIONING TO COLLEGE (FOR YOU AND THEM)

Seminar for Parents of High School Juniors & Seniors

Celebrating the success of your child by watching them graduate High School is one of the milestones all parents dream about. However, the transition to college can be a difficult one for both the student and their parents. Come to discuss how to prepare for the common pitfalls of freshman year, manage the stress of the adjustment and what you can do to help. You will learn tools to support them AND you through this transition.
