Dear Juli and Scott,

On behalf of the entire Better Business Bureau of Delaware organization, I'd like to congratulate you on being awarded the **2022 Thrive Award for Community Impact**.

This is certainly a well-deserved accomplishment and one that you should be proud to notify your employees, participants and community. The Better Business Bureau of Delaware honors only a few companies each year and truly feels that we are honoring companies who operate with the highest degree of integrity. We are proud to award Back to Basics Learning Dynamics the "Thrive Award for Community Impact" and feel you set a high bar for this recognition.

This year, we will recognize you at the Awards Celebration to be held on May 5, 2022 at 5:00pm at the DuPont Country Club. We look forward to seeing you and your guests at this event to share in this moment. You will be invited to accept your award at this time and offer a brief "thank you" (approximately 2 minutes).

In addition to the May 5th event, you should feel welcome to advertise this accomplishment. I have enclosed some guidelines and ideas for any public relations efforts you may wish to make. The BBB will also issue a press release.

Again, congratulations to your entire organization for this outstanding achievement. For more information, the event website is: <https://www.bbb.org/article/news-releases/26559-bbb-delaware-celebrates-57-years-on-may-5>

Sincerely,
